Volume II

From the Desk of Mr. Sasfy:

Greetings Parents & the Swedeborg Community!

It is hard to believe that we are nearing the end of the 1st quarter of school. We have had two educational and fun field trips so far with one more in October. We are so very pleased with all our students, they each represented Swedeborg School in a most "PAWS"itive way.

For those who have not been to the school recently, we have completed several projects to allow a more inclusive access to our library and playground area. A very special thanks to the Bank of Crocker, their substantial donation allowed us to build a concrete ramp leading to the back door of the library. We are also currently working on getting a ramp to the front library door constructed in the near future to include a special flag pole pavilion with three new flag poles donated by the Richland American Legion Auxiliary. Lastly on our capital improvements, the Board of Education has approved the repair and resurfacing of the playground walking track.

This year we have been blessed with a competitive basketball team, coached by Jeremy Huey and our very own Swedeborg Spirit Squad coached by Nurse Teresa and Mrs. Brothers. I encourage everyone to come out and support our basketball team and spirit squad as we enter our playing season.

I also wish to recognize our amazing Parent Teacher Organization. They will be hosting a chili cook off contest and bingo night fundraiser for the school on the 20th of October. We will be sending out more information in the near future. PTO volunteers are always welcome.

Lastly, we hope to see everyone at our annual Title Night. There will plenty of food and fun activities for everyone.

Mr. Mark
