Volume VIII

From the Desk of Mr. Sasfy:

Greetings to our Swedeborg School family and community! I am beginning to believe that the winter proclamation of 4 more weeks of winter has passed us by! Barring any additional snow days, we look good to finish school on the 19th of May. We have set the 18th of May to recognize and conduct the 8th Grade Graduation and Kindergarten Promotion Ceremony. We look forward to your support and attendance!

Last month, the Swedeborg PTO hosted the Dinner and Pie Auction. We had an amazing turn out, and I wish to truly thank the Swedeborg community for your awesome support! It was a truly memorable time for all in attendance with plenty of fellowship, laughter and sincere generosity from this community. Your support to this school continues to be a blessing!

The Swedeborg PTO is also planning one more major event on March 31st. This will be a Chili Cook Off with a Hunters' Raffle. More information will be sent home soon. I hope to see you all there. I know we have numerous hunters and excellent cooks in our community!

Lastly, as I have discussed over the past three months, we have continued to work on our Comprehensive School Improvement Plan (CSIP). We are grateful to all those that participated in providing survey information and data specific to the needs of the school district and community. The data showed that 79% of those who took the climate survey were either neutral to strongly supportive of a 4-day school week. It also showed that Friday was preferred at 66 % to be the day off.

Based on this and other factors, the board of education unanimously voted to adopt a four-day school week calendar with Fridays off for the 2023-2024 school year. Next year's calendar will be provided to everyone after spring break.

Please feel free to contact us with any questions.

Mr. Mark
