From the Desk of Mr. Sasfy:

Greetings Parents & the Swedeborg Community!

Welcome back to school! We are excited to have everyone safely back and ready to start off another "PAWS"itive Panther school year.

Over the last school year and throughout the summer, our staff have been working hard to implement numerous changes that we feel will benefit our students, staff, school district and community. This year we have a blend of student class schedules with Pre-K, K-1st and 2nd - 3rd being in self-contained classrooms. Grades 4 – 8 will rotate to their core classes that will consist of ELA, Math, Science, and Social Studies. We are also very pleased to announce that Ms. Kat has secured another DESE food service grant that will allow all students to have free breakfast and lunch. She also secured a federal grant for fresh fruits and vegetables.

Our staff has undergone changes as well. I would like to welcome the following staff members to the Swedeborg education family. Mrs. Beverly Watson (Pre-School), Mrs. Teresa Hardwick (2nd - 3rd Grade), Mr. Garrett Thayer (4th -8th Grade Science & Math), Mrs. Jazz Slater (4th – 8th Grade ELA), Mrs. Teresa Helton (Special Services), Ms. Paula Cox (All grades Art), Mrs. Shelley Adams, and Kristine Sherrer (Para-Professionals)

Academically, this school year our 4th -8th grade students we will be participating in a Response to Intervention (RTI) time for the last 30 minutes of each day. Students will be provided with additional instruction to help them meet their academic goals.

As always, grades and meal accounts can be accessed through the teacher ease website. If you do not have access to this program, please call the office. Also, if your child is going to be absent, please notify the school office by 8:30 a.m.

Mr. Mark
